OBJECTIVE

Performance driven, motivated and detail-oriented person. With strong analytical and communication skills, excellent team work abilities and dedicated to meet and exceed all goals. I have spent my spare time researching about data analysis and also working on web-based applications both on the front-end and back-end using technologies such as PHP, HTML, CSS, Bootstrap, jQuery, and I have started to self-learn JavaScript.

SKILLS

- Problem-Solving, Hard Working and Strong public relations and Communication skills.
- Hands on experience for academic projects with HTML5, CSS3, Bootstrap, jQuery, PHP5 and C#.
- Theoretical knowledge in detailed analysis and evaluation of business operations and performance.
- Practical knowledge in Object Oriented Programming
- Hands on experience with databases MariaDB/MySQL, MS SQL.
- Excellent command of English, Sinhala and Tamil.
